At the outset, the Chairperson of the College Principal Mahek Pathan delivered a welcome speech.

The Chief Guest Adv. Dilawar Dalvi gave a background of the Intellectual Property Rights in India and its scope. He said that Intellectual property rights are customarily divided into two main areas:

- i) The rights of authors of literary and artistic works (such as books and other writings, musical compositions, paintings, sculpture, computer programs and films) are protected by copyright, for a minimum period of 50 years after the death of the author.
- ii) Industrial property can usefully be divided into two main areas: The protection of such distinctive signs aims to stimulate and ensure fair competition and to protect consumers, by enabling them to make informed choices between various goods and services. The protection may last indefinitely, provided the sign in question continues to be distinctive.

The Resource Person Adv. Mangesh Jawlekar highlighted the Intellectual Property Rights of the People of India and various amendments therein. The session was highly interactive. At the end of the session the Chief Guest and the Resource Person cleared the doubts of the participants at the end of the session.

The session ended with the valedictory speech by Er. Shoeb Khan, President of HEWS, The Chief Guest and the Resource Person distributed the Certificates to the participants.
